Julia Bianchi

Julia R. Bianchi is committed to helping build a stronger and healthier community for children and at-risk families through her volunteer work. She is motivated by a deep sense of purpose and mission to give back by helping those who have not had the benefits provided by a strong family, good health and a support network. She believes in the power of networking and bringing together people who have a shared philanthropic and charitable passion for helping to build a better world.

She is currently the Miami-Dade chair of the new national American Red Cross Tiffany Circle Society of Women Leaders Initiative, which asks women to contribute \$10,000 annually to their local Red Cross chapter. In 2006-07, the inaugural year of this effort, 30 Miami-Dade women committed to participating as Founding Members of the Tiffany Circle. She was recently asked to serve on the National Cabinet for Tiffany Circle. She is a member of the Board of Directors of the American Red Cross of Greater Miami and the Keys. Since 2004 Julia has served on the American Red Cross Ball committee and chaired the event in 2005 with revenues exceeding \$500,000. In 2007 Julia received the American Red Cross's fundraiser of the Year Award.

She has been a member of the Junior League of Miami since 1990 and served as President in 2001-02. During her twelve years as an active League member, she chaired numerous projects for the organization including serving as the executive producer of the Emmy award-winning historical film *Our Miami the Magic City* and as the chair of the purchase, \$800,000 capital campaign and renovation of the League's historic 1926 headquarters located at 713 Biltmore Way in Coral Gables. She also served as the League's VP Communications and VP Community. As a sustaining member, she currently serves on the JLM Headquarters Board of Directors and is spearheading the Phase IV renovation of the League's historic headquarters. In 2007-08 she is also volunteering as the sustaining advisor to the current Junior League Board of Directors and JLM President.

In 1994, Julia co-founded and served as chair and co-chair of the Fisher Island Philanthropic Fund, a volunteer organization of Fisher Island residents and members dedicated to raising funds for designated charities throughout Miami-Dade. This Fund was a novel concept because many of the residents of Fisher Island had a tradition of making their charitable donations to their "hometown" cities. The Fund gave them a new vehicle to make donations to social service causes in Miami-Dade. Since its inception, this organization

managed by the United Way of Miami Dade, has raised more than \$6 million for charities serving children and youth in Miami-Dade.

Julia served as a Board Member of Kristi House, a non-residential treatment and case management center for sexually abused children, for more than 10 years. She was integrally involved in the initial capital \$3 million campaign for the Orlowitz Lee Children's Advocacy Center which houses the Kristi House program. She has worked tirelessly to ensure the long-term financial stability of this program by serving on the Executive committee and chairing numerous fund-raising events, outreach efforts and strategic planning initiatives. She continues to serve on Kristi House's signature fundraiser The Touch A Heart Dinner and Auction which netted more than \$360,000 in 2007.

She is also a member of the Fairchild Tropical Gardens Gala Committee and a supporter of the Women's Fund of Miami Dade, CHARLEE, and is an active member of the Miami alumnae chapter of Delta Gamma Sorority.

In Julia's hometown and secondary residence of Akron, Ohio, she is a Board Member of the Summa Health Foundation. She volunteers as a committee member with the annual Mid Summer's Night Gala benefiting the historic national treasure of Stan Hywet Hall and Gardens and recently served as co-chair of The Denim and Diamonds Event benefiting The Akron Children's Hospital which netted \$540,000 for pediatric oncology research.

In May 2007, Julia Bianchi was selected by the U.S. Southern Command to participate in a civilian leaders' one-day trip to its Joint Task Force facilities in Guantanamo Bay, Cuba. The purpose of this visit was to familiarize community leaders with the complexities and realities of the Joint Task Force Guantanamo's role on the War on Terror.

Julia has been recognized for her volunteer contributions by receiving the American Red Cross Spectrum Award and The Junior League's Rebecca Herndon Bush Award and the Women Who Make a Difference Award. She has been recognized by the March of Dimes as a Leading Lady of Miami. She has also received national recognition for her community service from Delta Gamma Sorority by being the recipient of the prestigious Oxford Award.

Professional experience includes currently working as Vice President of Business Development for Pointe Group Advisors. She previously owned JRB Marketing Inc., a marketing consulting and business relocation firm, from 1990-2000. Julia is a native of Akron, Ohio and graduated from Miami University of Ohio with a BA in English and a BS in Mass Communication.

She and her husband David W. Bianchi, an attorney with Stewart Tilghman Fox & Bianchi P.A., reside in Coral Gables with their seven-year-old son, Trent.

Paula Brockway

Paula Brockway is dedicated to community service and is involved in numerous local and national charities and non-profit organizations. Paula, originally from Texas, and her husband, Bob, reside in Coral Gables, Florida with their three children, Cole, 17; Madelaine, 12; and Edith, almost two years old.

Paula currently serves on the board of directors for Community Partnership for Homeless, Miami Science Museum, Palmer Trinity School, St. Thomas Episcopal Parish School and St. Thomas Episcopal Church Vestry. She is the chair of development for Palmer Trinity School and the chair of the Miami Science Museum capital campaign,

a \$110 million fundraising initiative and the museum's most ambitious development goal to date. She is on the committee for the Fairchild Tropical Botanical Garden Gala and will be chairing the 2008 Red Cross Ball. And, most recently, Paula was asked to chair CHARLEE Homes for Children's 25th Anniversary Gala.

In Spring 2007, Paula was invited to join The Tiffany Circle, a major gifts campaign created by the Chairman of the national Board of Governors and the national campaign chair of American Red Cross. This most special Women's Initiative will enhance the services of the organization in communities throughout the country through each member's investment of time, talent and treasure.

Paula has received several awards for her unwavering commitment to philanthropy and voluntarism in 2006 and 2007. These awards include being named a "Woman of Substance and Style" by The Miami Project to Cure Paralysis; the "Starfish Award" presented by the Jackson Memorial Foundation for seven outstanding women who have truly made a difference; the American Red Cross' "Victoria Cummock Philanthropic Spectrum Award;" and the Episcopal Diocese of South Florida's "Bishop's Award in Volunteering." Paula was also recently honored by Neiman Marcus Coral Gables at a special luncheon to salute five women in the community that show exemplary commitment to community.

Paula also devotes her time and resources to other local organizations, including The Junior League of Miami and Kristi House.

Paula and Bob are owners of Mercedes-Benz of Coral Gables and Mercedes-Benz of Cutler Bay, Bill Ussery Motors Companies, where Bob serves as Chairman and CEO. With more than fifty years in business, Bill Ussery Motors is the second oldest Mercedes-Benz dealer in the nation.

Constance Fernandez

Constance Fernandez was born and raised in Sterling Heights, Michigan and earned a Bachelors degree in finance from The University of Michigan's School of Business Administration.

Constance has held dual management and ownership positions in marketing and operations in the healthcare, retail and restaurant industries throughout her career. Her diverse professional experience has drawn her to philanthropy and taking an active role in numerous community organizations. Her recent contributions, enthusiasm, and commitment to the community have brought her into the spotlight for her achievements.

Constance serves on the Board of Trustees of the United Way, the Board of Directors of Miami Children's Hospital Foundation and the Board of Advisors of The Country Club of Coral Gables.

Her leadership in fundraising includes Miami MetroZoo, Miami Children's Hospital, the Children's Home Society, Miami Children's Museum, Mercy Hospital, and United Way of Miami-Dade.

As the 2002 Co-chair of the United Way Mayor's Ball, she was instrumental in raising more than \$1.5 million, the largest and most successful United Way event in the nation.

Constance and her husband Miguel recognize the importance of encouraging education and creating an environment for students to reach their potential. With their endowment of The Miguel B. Fernandez Family Entrepreneurship Building and its new programs at the University of Miami, their generosity will further the University's position as a leader in business innovation, and will help fulfill Miguel and Constance's dream of helping secure the future for students in business professions.

Constance is the proud mother of one son, Cristofer, and four stepchildren.

Evelyn Greer

Attorney and community activist Evelyn Langlieb Greer wears many hats within the public sector. She was elected to the Miami-Dade County Public School Board from South Miami-Dade in 2004. She served as the first Mayor of the Village of Pinecrest from 1996 to 2004, she is president of Greer Properties, Inc., a commercial property developer, and she has practiced law since 1973.

Evelyn received her Bachelor of Arts degree with a major in economics from Barnard College, cum laude, in 1970, and earned her law degree from Columbia University School of Law in 1973.

Through the years she has received many honors there, including the Lawrence A. Wien Award for Public Service, as well as the Columbia University Alumni Medal. She is the Vice-Chair of the Law School's Board of Visitors and served for twelve years as a trustee of Barnard College at Columbia University.

Within the South Florida community, Evelyn is a founding director of Our Kids, Inc., the Miami-Dade foster care umbrella organization. She serves on the Arsht Performing Arts Center Board and is a director of City National Bank of Florida, N.A. and Fusion Telecommunications Inc., a public company. She is also a partner in the Miami law firm of Hogan, Greer & Shapiro, P.A.

Evelyn's service and commitment to securing the wellbeing of children and families is commemorated within the Village of Pinecrest. Opened in 2001, the former Pinecrest Park was renamed Evelyn Greer Park in November 2004 in recognition of the contributions and accomplishments of the Village's first mayor.

Evelyn has been married to Bruce Greer since 1974 and together they are the proud parents of three children.

Irene Korge

Community service has always been the principal focus of Irene Korge's life. The youngest of seven in a spiritual Greek family, Irene's childhood and adolescent years were spent at her church, singing in the choir and working with the youth ministry. It was during this time that she came to realize that our service to others is our greatest gift--and a true humanitarian was born.

At 18, Irene relocated to Miami to pursue a degree in merchandise marketing, and it was at that time she met her future husband, Chris. The couple later became very active with the Junior Chamber of Commerce, a non-profit civic organization of people under 35 whose mission was to raise funds in support of myriad local charities.

Over the years, the couple has supported The United Way (The Mayor's Ball), Children's Home Society (Pink and Blue Gala), Project Smile, Honey Shine Kids, Big Brothers Big Sisters, the American Cancer Society and many more South Florida organizations.

As a board member of the Special Olympics, Irene has hosted fundraisers for the organization and currently chairs the upcoming Special Olympics First Fashion Show Luncheon.

Irene is a proud volunteer for the Democratic Party and has held numerous fundraising and social events at her Pinecrest home, including hosting President Clinton, Senator Hillary Rodham Clinton, and former Vice President Al Gore. These fundraising efforts earned the Korges the honor of being invited to the White House, as well as to State dinners with the King and Queen of Spain, the President of Colombia, and others.

Despite an active schedule, Irene has never lost sight of what is most important: her family. A devoted mother to Andrew, a lawyer; Kristina, a junior at FSU; and Angela, a junior at Gulliver Preparatory School, she takes great pride in her children's achievements. She is actively involved in coordinating events to benefit Gulliver, and her efforts have raised hundreds of thousands of dollars to enhance the educational experience of thousands of children in Miami-Dade County.

Humbled to be receiving this year's Miracle Makers distinction, Irene is thankful that she has the health and resources to continue her community service efforts. Most important to her, she says, is the example she hopes she has set for her children.

Commissioner Richard Steinberg

Commissioner Richard L. Steinberg, the son of former Florida State Senator Paul B. Steinberg, is carrying on his family's tradition of public service. Since his graduation from Miami Beach Senior High School, Steinberg has become an accomplished and well-rounded individual in his own right.

Graduating in the top ten percent of his class from the University of Florida's College of Business, majoring in Business Management, Steinberg was honored with membership in Phi Kappa Phi, Order of Omega and a Savant University of

Florida Leadership Honorary. Steinberg continued his education at the University of Miami where he earned a law degree, cum laude, and remained politically active. Not content to rest on his laurels, Steinberg also obtained a Masters in Business Administration (MBA) in Finance and earned the Dean's Award of Academic Merit.

He now serves the community as an attorney and is active in the legal community where he has served as a member of both the board of directors of the Dade County Bar Association and Miami Beach Bar Association. Commissioner Steinberg also gives back to the community through his involvement with Big Brothers Big Sisters of Greater Miami where he has served as a Big Brother to 15 year old Nick since 1997. In addition to being a Big Brother, he serves on the organization's Board of Directors. Additionally, Steinberg served on the Miami Beach Transportation and Parking Committee and was a member of the North Beach Development Corporation board of directors prior to his election to City Commission.

With his election to the City Commission in November 2001 at the age of 28, Steinberg became the second youngest Commissioner ever elected, and the youngest commissioner in a quarter century. Subsequently, when the Mayor and Commission unanimously appointed Steinberg to serve as Vice-Mayor during 2002, Steinberg became the youngest Vice Mayor in the history of Miami Beach. Commissioner Steinberg's fresh and youthful perspective has been a welcome addition to the commission as he furthers his commitment and service to our community.

His advanced business degree and legal education have proven him well suited to protect the interests our residents.

While Commissioner Steinberg dedicates a great deal of time on his roles as an attorney and Commissioner, he also serves on several committees and boards. Currently, Commissioner Steinberg serves as Vice-Chair for the Land Use and Development Committee. He has also served as Chair for the Neighborhoods/Community Affairs Committee and Vice-Chair for the Finance and Citywide Projects Committee. Commissioner Steinberg serves as President and Legislative Chairman of the Miami Dade League of Cities, as an ex-officio/government liaison on the Board of Governors for the Miami Beach Chamber of Commerce and as a governing board member for the Miami-Dade Metropolitan Planning Organization.

His family has deep ties to the community. His parents Sandy and Paul have lived in Miami Beach since the 1950s. While Paul and Richard practice law together, Sandy is in the antique and estate jewelry business and has been very active with charitable causes, including Sun Flower Society, Temple Emanuel Sisterhood and Mt. Sinai Medical Center's Foundation. His sister Lisa, who works with Sandy, resides in Miami Beach with her husband and their four year old twins. Richard's other sister, Samantha, serves our community as Miami-Dade's forensic artist.

Commissioner Steinberg married his wife, Micky, in July 2005. Micky is a Realtor Associate with Palm Properties.

Commenting on his service to the community, Commissioner Steinberg states, "I look forward to the opportunity to continue using my strong experience and passion for the city to serve the great people of Miami Beach."

Miracle Maker Lifetime Achievement Award

Electra Spillis

Children and family are the focus of Electra Spillis' remarkable life. For more than four decades she has occupied her days and nights with reaching out to children in need in the community, while at the same time serving the needs of her own family of four children and 13 grandchildren.

She began her community service early on, after settling in Miami in the 1950's with her family, and becoming an active member of St Sophia Greek Orthodox Cathedral. Upon meeting and marrying her husband of over 50 years, Peter Spillis, she embarked on a future rich with affection for family and home.

As her family grew, so did her dedication to the community. Her children's schools, her church, and surrounding community organizations received the benefit of her effulgent personality. She has lent her energy and drive to dozens of South Florida organizations including past involvement in the United Way of Miami-Dade, The Children's Foundation of Greater Miami, the Miami Project to Cure Paralysis Women's Guild, the University of Miami Ear Deaf, Miami-Dade Community college Friends and Family, the Greater Miami Heart Association, Children's Resouces. She is a Life Member of the University of Miami Cancer Link of Sylvester Comprehensive.

In addition, her leadership skills have brought her to the forefront to serve as president of the Children's Home Society Council, Pentland Hall, Miami Children's Hospital Community Council, the Philoptochos Society of St. Andrew Greek Orthodox Church, Gulliver Academy Mothers' Club, the Florence Crittenton Home, and the Dade County Mothers of Twins Club.

In 1989, Electra established the Electra V. Spillis Endowment to benefit the Children's Home Society of Florida, serving abused, abandoned and neglected children. For her outstanding commitment and exemplary service, she was named 1997 Woman of Valour by the Children's Home Society. As a fundraiser Electra is unsurpassed. She was instrumental in founding the organization's highly acclaimed Annual Pink and Blue Gala.

Miracle Maker Lifetime Achievement Award

Electra currently serves as president of the Parish Council of St. Andrew Greek Orthodox Church in Miami, where she has been director of the Miami Greek Festival Dancers since 1976, and serves on the St. Andrew Philoptochos Society.

Together with her husband, Electra is an active Trustee of the Miami Science Museum and Planetarium, a member of the Museum Patrons, and most recently served on the Museum's 2008 Gala Committee.

As a long-standing member of the Big Brothers Big Sisters of Greater Miami Board of Directors, Electra has won the respect and friendship of all who have come to know her. Among her many achievements, she was named Woman of the Year in 1996 by the Women's Committee, and served two terms, totaling three years, as president of that body. She is the founder of the annual Miracle Makers Luncheon to honor community leaders, and continues to serve on the planning committee.

Big Brothers Big Sisters of Greater Miami, its Board of Advisors and Women's Committee are grateful to Electra Spillis for her wellspring of love and commitment to the welfare of our BBBS "Littles" and children everywhere.

**It only takes one person or one idea
to change your life forever.**

BNY Mellon is very proud to be a sponsor of the *Miracle Maker Luncheon*.

For more than 100 years, Big Brother and Big Sister mentors have influenced the lives of millions of children in thousands of communities across the nation. Big Brothers Big Sisters of Greater Miami was established in 1958 and currently serves over 5,000 clients each year.

We salute the mentors who, person to person, compassionately volunteer their time to help make a child's life more rewarding, and their future brighter. We also pay tribute to the increasing number of people and businesses who generously give their time and money in support of this humanitarian effort.

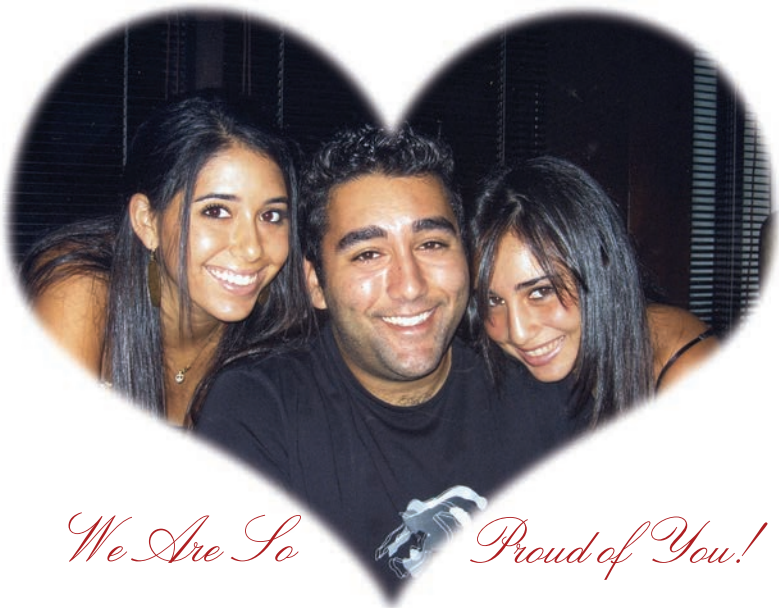

In the words of John Wooden, legendary sports coach, "*You can't live a perfect day without doing something for someone who will never be able to repay you.*"

Coral Gables, Florida 33146

Greenbrook Pools has been serving customers from the Keys to Palm Beach since 1976. We are recognized as the industry leader in creating the most memorable outdoor environments and for building "utopias" for our clients. Specializing in uniquely designed pools, spas, rockscapes, koi ponds, waterfalls and water features, we cater to the carriage trade and can work easily with both contractors, designers, landscape architects or directly with the client.

Little Moments. BIG MIRACLES.

Make a Difference...

Becoming a Big Brother or Big Sister can be one of the most enjoyable and rewarding things you've ever done. You'll meet a new friend, gain new experiences and possibly learn some new things about yourself. Plus, you'll see how giving just a few hours of your time each month can make a big difference to a young person.

Big Brothers Big Sisters offers a variety of opportunities to work with children that can accommodate all kinds of schedules. Work with a child at an area school on a weekday, be a weekend group mentor on recreational/educational activities or be "matched" one-on-one with a child that you'll visit twice a month.

Big Brothers Big Sisters

EMAIL: info@bbbsmiami.org

YES! I'D LIKE TO HELP CHILDREN IN NEED OF POSITIVE ROLE MODELS.

HERE'S HOW I CAN HELP...

- I'd like to become a Women's Committee Member
- Put me on your mailing list to receive newsletters & special events invitations.
- I'd like to volunteer as a Big Brother or Big Sister.
- I'd like to enroll my child in the program. Send me an information packet.
- I/we would like to participate in your school based mentoring program.
- I/our company would like an on-site presentation.
- I/we'd like to volunteer on one of your board committees.
- I/our company wants to sponsor an activity/event for children on the waiting list.
