Nancy Batchelor

Known for her Midwestern work ethic, Nancy Batchelor is an active supporter of the community as well as a top-producing real estate agent for Esslinger Wooten and Maxwell Realtors Inc.

A Wisconsin native and graduate of the University of Wisconsin-Madison, where she majored in journalism with a focus on advertising and marketing, Nancy says she enjoys selling & promoting our great community. Together with her husband of 17 years, Jon Batchelor, Nancy is honored to carry on the philanthropic legacy of George Batchelor, founder of The Batchelor Foundation. The foundation is one of the premier supporters of numerous organizations and charities in South Florida. Nancy's passions, which mirror the foundations' goals, are helping children in need, animals and the environment.

In addition, Nancy is a supporter and board member of Fairchild Tropical Botanic Garden, the University of Miami Leadership Council and United Way of Miami-Dade County. She is a past board member of The Cushman School, Jackson Cancer Cares, Vizcaya Preservation Luncheon Founders, the National Council for Hearing and Speech Center, and she is an Easter Seals Miami-Dade Angel of Change. She is also a past Queen of Hearts of Miami Children's Hospital, and was named one of the 2009 Women of Substance & Style by the Miami Project to Cure Paralysis — Destination Fashion for the Buoniconti Fund to Cure Paralysis. Another organization close to her heart is Shake-A-Leg Miami, helping children and adults with physical, developmental and economic challenges experience the thrill of watersports.

Although they moved to Miami Beach in 1984, the Batchelors lived briefly in Aspen, Colorado from 1999 until 2002, where Nancy sold real estate and actively served on the boards of the Aspen Historical Society, The Early Learning Center and the Aspen Camp for the Deaf.

While enjoying the Rocky Mountain lifestyle, Nancy also honed her skills as a horsewoman. Today, she continues the sport by being an avid equestrian competitor in Palm Beach.

Nancy, Jon and their three children center their busy lives around their waterside home in Miami Beach. Together with the Batchelor Foundation, they serve as a stirring example of community philanthropy through their generous support of Big Brothers Big Sisters of Greater Miami and many other organizations. Nancy states she is especially honored to be chosen as one of this year's Miracle Makers.

Trish Bell

Trish Bell's generous service as a community volunteer and leader for more than 30 years is an outgrowth of two emotions that are conspicuous in her character—she genuinely cares about the well-being of others, and she has a seemingly inexhaustible passion to provide opportunities to improve the lives of under-served persons.

Trish spends much of her time planning events and raising funds for organizations that make an impact in our community. She currently serves alongside her husband of 45 years, Dan Bell, as co-chair of the Board of Trustees of the Miami Science Museum; vice-chair of the Board of the Community Partnership for Homeless; a member of the St. Thomas Episcopal School Board; as well as chair of the Advisory Committee of South Florida Urban Ministries. Trish also serves as a Stephen Minister and is a trained crisis counselor.

She is active in the Red Cross and is chairman of its 2010 Ball Committee, as well as a member of the Steering Committee for the Red Cross Tiffany Circle. She is a member and past board member of Villagers, where she presently serves on its Scholarship Committee; a past president of the University of Miami Women's Guild; past president of the Patrons of the Miami Museum of Science; and a past board member of Theater Arts League. Trish has been active in the Kendall United Methodist Church for 30 years, holding various board committee positions.

Trish and Dan are active philanthropists supporting many organizations including the Miami Science Museum, Community Partnership for Homeless, South Florida Urban Ministries, Florida United Methodist Children's Home, the Methodist Church, Camillus House, Jackson Hospital Foundation, Baptist Hospital Foundation, American Red Cross, CHARLEE House, Informed Families, the Kristi House, Ronald McDonald House, American Cancer Society, Fairchild Gardens, Vizcaya, Villagers, the Adrienne Arsht Center, The Concert Association, Cleveland Orchestra and the Miami City Ballet.

Recognized for her outstanding volunteerism, Trish was the recipient of the 2002 Miami Science Museum Gala Award, the 2007 Sara B. Hopkins Spectrum Award for Philanthropy, and the 2007 National Institute of Philanthropy Award. She was selected by the Junior League as a 2007 Woman Who Makes a Difference. More recently Trish was an American Cancer Society Inner Circle Honoree of 2008, the recipient of the 2008 Jackson Hospital Foundation's Starfish Award for Community Service, and was awarded the Laudare Medal for outstanding community service by Barry University in January, 2009.

Diane de Olazarra

Diane de Olazarra is deeply committed to the welfare of children in our community. Together with her husband, Allen, they have established two private foundations to carry out their passion for serving children. One provides educational opportunities for underprivileged children and another provides transitional housing for homeless women with children. Allen recently served as the vice chairman of the board of directors of the Children's Home Society Foundation.

As exemplary philanthropists throughout South Florida, the de Olazarra's have been active hosts and co-chairs for numerous charity fundraisers including serving as honorary co-chairs of the 7th Annual Kristi House Touch a Heart Dinner & Auction in 2008. Kristi House strives to end the epidemic of child sexual abuse in Miami-Dade County.

In 2007, the de Olazarra's hosted the 2007 StarFish Awards for Jackson Cancer Care, and Diane was an honoree and recipient of the StarFish award that year. In addition, she has served on the Guardian Angel Board of Jackson Memorial Foundation and served on the committee for the 7th Annual "Guardians of the Children" Luncheon.

Last year, Diane proudly supported and helped establish America SCORES Miami, one of South Florida's newest and most innovative after-school programs.

Diane has also been involved in The Education Fund, an organization with the mission of designing and implementing initiatives to improve schools throughout the county and bring excellence to public education in Miami-Dade. Diane served as a member of the 2006-2007 Galaxy of Supporters.

In 2005 Diane and Allen graciously hosted a pre-event cocktail reception for the inaugural International Kids Fund Latin American Art Auction 2005.

Most recently, Diane was named one of the 2009 Women of Substance and Style of the Destination Fashion 2009 for The Buoniconti Fund to Cure Paralysis.

Swanee DiMare

Swanee DiMare loves Miami because of its diversity of cultures, the energy it exudes, and the strong commitment from the community to make the “Magic City” truly magical. Her community involvement began at Delta Air Lines motivating volunteers to dedicate countless hours assisting her with yearly events such as the Dade County Youth Fair, the March of Dimes and the Special Olympics. A graduate of Archbishop Curley-Notre Dame High School, Swanee continues to support an endowment which helps to continue high quality Catholic education in our community. In March 2008, Swanee was inducted into the Archbishop Curley-Notre Dame Hall of Fame.

As a Trustee of Fairchild Tropical Botanic Garden, Swanee has served as co-chairman of the Gala in the Garden, and serves in the Fellows Society, and the Chihuly at Fairchild Steering Committee. Swanee also serves on the Board of Trustees for The Vizcaya Museum and Gardens and The Miami Museum of Science and Planetarium, where she is 2009 Ball co-chairman.

Swanee and Paul received the 2007 Outstanding Philanthropist Award at the National Philanthropy Day Luncheon and in 2006, Swanee was the recipient of the Messenger of Peace Award, La Paloma de la Paz, for her humanitarian work.

Active on the American Red Cross Ball Committee, Swanee has served as its chair and as 2008 honorary chair. In 2005, She was recognized with the prestigious Red Cross Spectrum Awards for Women, later serving as sponsor of The Swanee and Paul DiMare Youth Spectrum Award. She is a founding member of the Red Cross Tiffany Circle and was a member of the Tiffany Circle National Cabinet. As a result of her many Red Cross efforts, Swanee was twice awarded the Loly and Conway Hamilton Award.

Swanee has been a major supporter of the Miami Project to Cure Paralysis, recognized as one of the 2004 Women of Substance and Style. In 2007, The DiMares were presented the Women’s Guild “Ann Bishop Spirit of Excellence” Award. In 2008, Swanee was selected to join the American Cancer Society’s “Inner Circle of Twelve” and in 2009 was crowned the Queen of Hearts of Miami Children’s Hospital Foundation. In addition, the DiMares strive to make a difference in inner-city schools and parishes, ministries, seminaries, and social services as leadership donors to the Archdiocese of Miami.

Swanee’s charitable and philanthropic affiliations are so numerous and varied they cannot all be mentioned here. However, she selflessly dedicates her time and support to dozens of hospital foundations, homeless organizations, educational, mentoring and cultural boards and committees, improving the lives of so many individuals within the South Florida community she proudly serves.

*The Honorable
Katherine Fernández Rundle*

The Honorable Katherine Fernández Rundle has served Miami-Dade County as State Attorney since 1993. She has been reelected five times to her post and is the first female Hispanic State Attorney in the State of Florida.

Her strong leadership and devotion to preventing crime and the increased focus and successful prosecution of career criminals are hallmarks of her administration. Among her many accomplishments, she has been a leader in creating programs to give the victims of crime greater accessibility to the criminal court system; and was instrumental in ensuring that Miami-Dade's celebrated Drug Court became reality.

She also successfully created a truancy intervention program to help Miami-Dade's school children avoid juvenile delinquency and was a key partner in the creation of Miami-Dade's Juvenile Assessment Center.

In addition, Ms. Fernández Rundle helped pass the legislation that created the Civil Citation Program to prevent juveniles who commit non-violent misdemeanors from getting a criminal arrest record while at the same time ensuring they get the services needed to deter them from future delinquent actions. As a part of the Miami-Dade County Juvenile Crime Task Force, she helped create a new pilot program aimed at juveniles who have been arrested with guns in their possession. Recognizing the need to intervene with these kids before they commit a crime with a firearm, she has brought the State Attorney's Office into a partnership with the Ryder Trauma Center of Jackson Memorial Hospital, aiming to bring the reality of living as a victim of gun violence back to those juveniles who are on the edge of potential violence.

Ms. Fernández Rundle has long recognized that the need to help children also entails getting them the financial support to which they were legally entitled. As the only State Attorney in Florida operating a Child Support Enforcement Office, she recognized the urgent need to make the pursuit of delinquent child support payments easier. State Attorney Fernández Rundle created legislation that added such orders to the Florida Crime Information Computer (FCIC) accessible to every Florida police officer. This made every traffic stop in Florida an opportunity to provide needy children with their court ordered support.

The State Attorney's philosophical convictions include sharing her time, influence, and resources with her community that she is passionate about. She is a founding member and Vice-President of Women of Tomorrow, a mentoring program that looks to inspire and motivate young at-risk high school women. Ms. Fernández Rundle is also very active in important organizations such as the Children's Services Council, 5000 Role Models of Excellence, Amigos For Kids, Mothers Against Drunk Driving, Habitat for Humanity, and many others.

Little Moments. BIG MIRACLES.

Make a Difference...

Becoming a Big Brother or Big Sister can be one of the most enjoyable and rewarding things you've ever done. You'll meet a new friend, gain new experiences and possibly learn some new things about yourself. Plus, you'll see how giving just a few hours of your time each month can make a big difference to a young person.

Big Brothers Big Sisters offers a variety of opportunities to work with children that can accommodate all kinds of schedules. Work with a child at an area school on a weekday, be a weekend group mentor on recreational/educational activities or be "matched" one-on-one with a child that you'll visit twice a month.
